1. You are to call (785) 840-8733 on _____ to schedule an initial appointment for counseling.
2. It is your responsibility to report as directed.

Failing to report for counseling will be reported to the probation officer as a "no show." You must contact your probation officer immediately if you are unable to comply with these program requirements. Lack of transportation, scheduling problems derived from employment or school participation, child care problems, and bad weather are generally unacceptable reasons for failure to comply with this program. Illness is an acceptable reason only if verified by the probation officer with a doctor's statement or other medical records indicating an extreme temporary disability.

4. You shall pay a copayment of \$ _____

It is important that you realize fully your responsibilities in the MRT program. Any questions you might have should be directed to your probation officer. Your participation in this program is a requirement of your continued supervision. With your assistance and cooperation, the goal of satisfactorily completing your period of supervision will be achieved.
