

CONNECTIONS  
TO SUCCESS®

## Achieve your goals in work and life

We're more  
than just job  
training

Gaining economic  
mobility and  
achieving the  
dreams you have for  
yourself and your  
family is a journey.  
We're here for you  
through the highs  
and lows of life.

## 12-DAY GOAL JUMPSTART

**Start building the life you want through an interactive Personal and Professional Development Training**

- Develop a standout resume and practice interviewing
- Identify career opportunities
- Create a plan for taking your life to the next level
- Strengthen your resilience for handling life's obstacles

## BUILD JOB CONNECTIONS

**Benefit from our employer relationships and career coaching services**

- Get job search support during weekly Career Connect sessions with our job development team
- Tap into our network of employers and professional development service partners

## ONE-ON-ONE COACHING

**Personal life transformation coaching and mentoring**

Work with a personal life coach to stay on track with your goals. They'll provide insight on navigating barriers as you advance personally and professionally. You can also pair up with a community mentor for additional networking and support.

## CONNECT TO RESOURCES

**Community partnerships help address goals and necessities beyond employment**

Whether you're seeking housing, education, food, recovery resources or have other immediate needs, we can connect you to resources through our wide partnership network in the community.

## DEVELOP IN-DEMAND SKILLS

**Earn credentials to propel your career forward**

Take advantage of free certification trainings we offer and skill-building opportunities provided by our partners.

- Participate in Customer Service and Sales Training
- Get support when applying to school or seeking ways to further your education

## GAIN A SUPPORTIVE NETWORK

**Opportunities are often about who you know, so connect with a supportive network**

Along with the team at Connections to Success, you'll meet other driven community members through our services.

- Professional Women's Groups for ongoing development
- Special events and family-friendly community nights
